S. SHALOMY EVANGELIN MERCY

UI DEVELOPER

PERSONAL PROFILE

A highly motivated and results-oriented UI/React Developer with 1 years of experience in developing dynamic, user-friendly web applications. Proficient in building reusable components using React.js, Material-UI, and other modern JavaScript frameworks. Strong ability to translate designs into high-quality code, with a deep understanding of responsive design and cross-browser compatibility. Passionate about optimizing user experiences and delivering scalable and maintainable front-end solutions.

EXPERIENCE

Feb 2024 - Present

Alpharive Tech Private Limited, Madurai

UI Developer

- Developed and maintained multiple web applications using React.js and Material-UI, improving UI performance by 30%.
- Collaborated with designers to transform wireframes and prototypes into responsive, cross-browser-compatible UI components.
- Created reusable components and hooks to streamline development processes and ensure code consistency.
- Optimized the user experience by implementing lazy loading and code splitting.
- Worked with Git and GitHub for version control and collaboration in a fast-paced Agile environment.
- Led the migration of a legacy app to React, improving performance and maintainability.
- Implemented a responsive design with animations to improve the user experience.

Front-End Developer

- Designed and implemented dynamic user interfaces using HTML, CSS, JavaScript, and React.js.
- Collaborated with back-end developers to integrate APIs and improve front-end/back-end communication.
- Developed custom UI components using Material-UI and React, improving overall project modularity.
- Ensured mobile responsiveness and cross-browser compatibility, reducing layout bugs by 20%.
- Participated in code reviews and collaborated with the team to ensure quality and consistency in the codebase.

Nov 2023 - Feb 2024

Kevell Corp, Madurai

Software Developer Internship

- Email templates | Blogs | Landing pages | Website design and development.
- Learn JavaScript, JQuery, HTML 5, CSS 3, Bootstrap 5.
